MOTION FOR ENFORCEMENT OF WISE COUNTY STANDING ORDERS

This Motion for Enforcement is brought by Christopher McCarthy, Movant. The last three numbers of his driver's license number are 269. The last three numbers of his Social Security number are 172.

1. Discovery in this case is intended to be conducted under level 2 of rule 190 of the Texas Rules of Civil Procedure.

Preservation of Evidence: Respondent is put on notice to preserve and not destroy, conceal, or alter any evidence or potential evidence relevant to the issues in this case, including tangible documents or items in Respondent's possession or subject to Respondent's control and electronic documents, files, or other data generated by or stored on Respondent's home computer, work computer, storage media, portable systems, electronic devices, online repositories, or cell phone.

2. This Court has continuing, exclusive jurisdiction of this case as a result of prior proceedings.

3. Respondent, Darcy Gusse, is the party entitled to notice, and process should be served wherever she may be located.

4. On 11 September 2024, Movant filed his *Original Petition for Divorce*. This pleading contained *Wise County Standing Order Regarding Children, Property and Conduct of Parties* (hereinafter "*Standing Order*"), which was effective 1 September 2022 as signed by this Court. This *Standing Order* "applies in every divorce suit...filed in Wise County" and was personally served and thus acknowledged by Respondent on 15 October 2024. *Standing Order*, in relevant part, states:

"2. CONDUCT OF THE PARTIES DURING THE CASE.

Both parties are ORDERED to refrain from doing the following acts:

2.1 Using vulgar, profane, obscene, or indecent language, or a course or offensive manner to communicate with the other party, whether in person, by telephone, or in writing."

5. Respondent is in contempt of court for failing to comply with the order described above as follows:

Violation 1 On or about September 9, 2024, Respondent left Movant a series of notes regarding a broken washing machine that she blamed on the Movant's daughter. In the notes, Respondent called Movant's daughter a "SICK BITCH" and "THE TRASH." Additionally, Respondent described Movant's daughter's sexual life in disgusting detail, accusing her of "SHOVING SHIT UP HER ASS!" and enjoying "PISS AND CUM ALL OVER HER!"

Violation 2 On or about November 5, 2024, Respondent left Movant a series of notes that read, "GET OVER IT! GO SEE MARTY STERNUM! I AM NOT YOUR DOG SHIT PISS CLEANER! RETURNS GET RETURNS OR I CAN PLAY AUDIO FOR CALLED GUESTS. THAT INCUDEDS 'UNFUCKING' THE HVAC OR NO DEAL!"

Violation 3 On or about November 12, 2024, Respondent placed a sign on the shared real property at 157 CR 1380, Alvord, Texas, 76225, stating that she was going to "REPLACE [MOVANT]" and accused him of being "SPIRITUALLY BANKRUPT." She insisted that she would not be "DEFEAT[ED]!"

Violation 4 On or about December 20, 2024, Respondent left a handwritten note for Movant where she declared her life with him a "NIGHTMARE" due to his "PAST AND DEMONS!" Her note also accused movant of being a liar by "PLAYING VICTIM" and instructed him to "GTFO [get the fuck out.]"

Violation 5 On December 23, 2024, under a fake Facebook profile belonging to Respondent under the pseudonym of "Marty Sternum" (the profile Respondent pointed Movant to review, *see Violation 2*), Respondent shared a long post listing the requests that she previously made of Movant that would keep her in the relationship and the reasons why she made the requests. In her explanations, Respondent graphically, albeit falsely, describes Movant's daughter's sexual interests, included Movant's alleged "porn history" and links, and referencing behaviors which Respondent describes as beginning when the Movant's daughter was 12 years old. Attached to this post are photos of people in sexually provocative positions while scantily clad in clothes and even partially nude. Although Respondent covered the images where the genitalia were exposed with a sticker over the genitalia, Respondent still posted these photos to a public social media platform, referencing his daughter. (Movant adds as an aside that his daughter was not living with him but rather with daughter's mother in Kansas during this time, and was only briefly with Movant for a time between ages 17 & 18, only to return to Mother because of her toxic relationship with Respondent.)

Violation 6 On December 31, 2024, Respondent posted to her fake Facebook profile belonging to Respondent under the pseudonym of "Marty Sternum" (the profile Respondent pointed Movant to review, *see Violation 2*), a message for Movant where she wrote "DON'T FORGET THE NINE FUCKING YEARS YOU STOLE FROM ME!" In the post, she also accused Movant of stealing her phone and HVAC disconnects and his daughter of stealing an expensive watch among other clothing items. She then berated Movant for seeing his daughter as "A FUCKING VICTIM AND PRINCESS."

Violation 7 On January 8, 2025, Movant checked the parcel delivery box on the shared real property at 157 CR 1380, Alvord, Texas 76225, and discovered a note from Respondent graffitied onto the box stating, “STOP FN [FUCKING] WITH ME. GO FUCK YOUR WHORES DON’T TELL ME YOUR (sic) NOT. GO BE A FN [FUCKING] IMMATURE FUCK SOMEWHERE ELSE WITH THE METH POT HEAD ‘KIDS.’”

Violation 8 On January 9, 2025, Respondent posted once again to her fake Facebook profile belonging to Respondent under the pseudonym of “Marty Sternum” (the profile Respondent pointed Movant to review, *see Violation 2*), a message telling Movant to “GET THE FUCK OUT OF [HER] LIFE” and to “GO FUCK [HIS] WHORE DIANA!” Respondent also called Movant “A LIAR, A HYPOCRITE, A FRAUD, A LOSER, A DRUNK, A PORN ADDICT, A CHEAT, A CON, AN ABUSER, A FUCKING JOKE WITH ADULT REGRESSIVE DEVELOPMENT.”

Violation 9 On March 10, 2025, Movant arrived at his workshop from which he operates his business (Great Works Custom Homes, LLC) located on the shared real property at 157 CR 1380, Alvord, Texas, 76225, to discover a sign left for him by Respondent in which she informed Movant that she no longer would buy feed for the chickens and signed the note with the following signature line, “SIGNED ‘BABYKILLER’ AS YOU CALLED ME BECAUSE I HAD PRE-ECLAMPSIA AT 8! WEEKS! – GTFOOML [Get The Fuck Out Of My Life].”

Violation 10 On March 19, 2025, Respondent posted to another fake Facebook profile belonging to “Glenn West” (substantiated by its related content), where she raged against Movant calling him “A FUCKING DISEASE” and stated that Movant “DESERVE[S] TO SUFFER.” Attached to the post is a video with the caption, “Karma is coming.” On this same day, Respondent posted again to her fake profile “LETS DO THIS BITCH IM READY TO THROW IT ALL IN” with an image that said “GO FUCK YOURSELF.”

Violation 11 On March 21, 2025, Respondent posted to another fake Facebook profile belonging to “Glenn West” (substantiated by its related content), a message impliedly directed towards Movant attacking his relationship with his kids in which she describes Movant’s children as “stupid fucking ‘kids’” and “fucking parasites.”

Violation 12 On March 23, 2025, Respondent posted a rant against Movant on another fake Facebook profile belonging to “Glenn West” (substantiated by its related content), and in the post, Respondent told Movant to “GO AHEAD AND POST TO PUBLIC YOU AND YOUR SLUT,” but commented that Movant was embarrassed for her to see “THE DUMB UGLY SLUT.”

6. *Standing Order* states further, in relevant part:

“2. CONDUCT OF THE PARTIES DURING THE CASE.
Both parties are ORDERED to refrain from doing the following acts:

2.2 Threatening the other party in person, by telephone or in writing to take unlawful action against any person.”

7. Respondent is in contempt of court for failing to comply with the order described above as follows:

Violation 13 Respondent filed a false report with a police officer stating that Movant had stolen her gun.

8. The *Standing Order* states further, in relevant part:

“2. CONDUCT OF THE PARTIES DURING THE CASE. Both parties are ORDERED to refrain from doing the following acts:

2.4 Opening or diverting mail addressed to the other party.”

9. Respondent is in contempt of court for failing to comply with the order described above as follows:

Violation 14 Over the course of several months from October 2024 until April of 2025, Respondent has stolen and destroyed Movant’s mail delivered to the property, such that Movant has reported the stolen and damaged mail to the Postmaster in Alvord.

Violation 15 On February 21, 2025, Movant arrived at the property mailbox to discover the mailbox open and its contents littered on the ground.

Violation 16 On March 26, 2025, Movant arrived at the property mailbox to discover once again that the mail had been littered all over the ground.

Violation 17 On April 19, 2025, Movant discovered that the parcel delivery box, which the Movant used to receive packaged deliveries, had been shoved over into the drainage ditch alongside the road, breaking parts of the box off. Besides the damage to box, this action exposed all delivery packages to potential damage as the mail delivery persons no longer had access to a safe place to deposit their packages to prevent damage from the elements.

10. The *Standing Order* states further, in relevant part:

“3. PRESERVATION OF PROPERTY AND USE OF FUNDS DURING DIVORCE CASE. If this case is a divorce case, both parties to the marriage are ORDRED to refrain from the following acts:

3.1 Destroying, removing, concealing, encumbering, transferring, or otherwise harming or reducing the value of the property of one or both of the parties.”

11. Respondent is in contempt of court for failing to comply with the order described above as follows:

Violation 18 Respondent has allowed the animals on the property to roam freely harming the property and lessening its value.

Violation 19 On February 17, 2025, Movant discovered evidence that the Respondents four dogs had been locked in the unfinished room of the building on the shared real property at 157 CR 1380, Alvord, Texas 76225, in their footprints marked on the ground in cat litter left directly on the ground. Movant also discovered that the dogs had peed on the floor of the room where the dogs had missed the litter, which had been left uncleaned by Respondent. Movant found that the room smelled strongly of animal waste.

Violation 20 On February 21, 2025, Movant entered the same unfinished room on the shared real property located at 157 CR 1380, Alvord, Texas 76225, to discover that three dogs belonging to Respondent had been let loose in the room and had destroyed insulation in the room by pulling it from the unfinished walls and tearing it to pieces scattered around the room.

12. The *Standing Order* states further, in relevant part:

“3. PRESERVATION OF PROPERTY AND USE OF FUNDS DURING DIVORCE CASE. If this case is a divorce case, both parties to the marriage are ORDRED to refrain from the following acts:

3.2 Misrepresenting or refusing to disclose to the other party or to the Court, on proper request, the existence, amount, or location of any property of one or both parties.”

13. Respondent is in contempt of court for failing to comply with the order described above as follows:

Violation 21 Respondent has sold multiple personal items belonging to Movant or to the joint/community property of both parties, such as the 2021Kawasaki Mule Pro FXT, tools, and industrial equipment, and has refused to tell Movant to whom she sold the items so that he could purchase them back.

14. The *Standing Order* states further, in relevant part:

“3. PRESERVATION OF PROPERTY AND USE OF FUNDS DURING DIVORCE CASE. If this case is a divorce case, both parties to the marriage are ORDRED to refrain from the following acts:

3.2 Damaging or destroying the tangible property of one or both of the parties, including any document that represents or embodies anything of value.”

15. Respondent is in contempt of court for failing to comply with the order described above as follows:

Violation 22 On October 17, 2024, Movant discovered that his 1978 MG Midget had been dented in on the left front fender of the vehicle. This vehicle was stored at 157 CR 1380,

Alvord, Texas 76225, the shared property where Respondent was and is currently the sole resident with her daughter.

Violation 23 On October 21, 2024, Movant visited shared real property located at 157 CR 1380, Alvord, Texas 76225, to discover damage to many personal items, ranging from tools and materials for work and care of property, personal keepsakes from his children, and personal collector's items. A small solar panel serving as support for a trail camera had been shattered; the camera portion of the trail camera had been removed; dirt bike parts had been burned and found in a burn pile; the grip of a shotgun had been busted and splintered; family ornaments of sentimental value to Movant had been burned in a burn pile; animal skeletons collected by Movant had been broken into pieces and thrown in disarray on a shop table along with other personal items and tools of the Movant; a DVD player had been smashed into parts; Movant's boots had been thrown in a trash bag; and an antique Bostrom-Brady surveying scope had been tampered with and its wooden original box had been broken apart.

Violation 24 On December 17, 2025, Movant entered the workshop to discover that the hinges on an exterior door had been removed allowing access to any person, creature, or even the natural elements to enter the shop, exposing all tools, personal items, and materials and stock to the risk of damage, destruction, and theft.

Violation 25 On December 18, 2024, Movant entered the workshop out of which he operates his business located at the shared real property at 157 CR 1380, Alvord, Texas 76225. Upon entrance to the workshop, Movant discovered that his industrial shop fan had been knocked over onto its side; his 2011 Honda CRF 25R dirt bike had been knocked onto its side; a wooden, cushioned kitchen bar chair had been chopped into pieces and thrown haphazardly outside the workshop; and trash including takeout, soda bottles, and chip bags had been littered outside the workshop. The shop door from which the hinges had been removed was still hingeless and had fallen over.

Violation 26 On February 17, 2025, Movant arrived at the workshop to discover that trash had been piled on his tool boxes and work benches. The trash included a hay bale and shattered kitchen glassware amongst plastics and cardboard. Additionally, Movant's tools and materials had been piled in with the trash.

Violation 27 On February 25, 2025, Movant arrived at the workshop to discover that several of his tools and materials had been thrown outside the workshop along with trash.

Violation 28 On March 18, 2025, Movant discovered that the shop had been cleared of most of the tools and materials in the shop. Movant found his tools, materials, workbenches, and supplies haphazardly piled outside the shop as if discarded for trash pickup. He also discovered burn piles with evidence that his some of his work materials had been burned in these piles as partly burned wooden sheets were laying in the burn piles. Additionally, although still located in the shop, Movant's tool cabinet was in complete disarray and missing tools where it had previously been organized and fully stocked with tools.

Movant did not pick up tools or return them to the workshop as Respondent was on property telling him to "get out."

Violation 29 On March 26, 2025, Movant arrived at the property to discover that his tools and materials were still piled outside the shop. In addition to leaving all the tools and materials out, Respondent had moved Movant's large, stainless steel tool cabinet outside and left opened the top compartment. Movant did not pick up the tools or return them to the workshop as he could not access the shop because the Respondent had tied down the garage door from the inside so that he could not get into the shop.

As Movant surveyed the property, he discovered further damage to the property and his work materials. Examples include a fence that had fallen down, and a trashcan full of table saw parts, wrenches, spray can bottles, and other tools.

Violation 30 On April 9, 2025, Movant arrived at the workshop to discover that his tools and materials still remained heaped outside as in a pile of trash. Movant did not return the tools and materials to the workshop because he believed his time and efforts would be wasted as Respondent had already demonstrated that she would simply throw all his tools and materials back out of the workshop.

Violation 31 On April 14, 2025, Movant arrived at the workshop to find that his tools, materials, workbenches, and his large, stainless-steel tool chest were still piled outside the shop. However, now the large, stainless-steel tool chest had been separated into halves, and materials previously stored inside the chest were scattered on the ground. Objects thrown outside the shop by Respondent included open bags of livestock feed and batteries.

16. The *Standing Order* states further, in relevant part:

“3. PRESERVATION OF PROPERTY AND USE OF FUNDS DURING DIVORCE CASE. If this case is a divorce case, both parties to the marriage are **ORDRED** to refrain from the following acts:

3.5 Selling, transferring, assigning, mortgaging, encumbering, or in any other manner alienating any of the property of either party, whether personal property or real estate property, and whether separate or community, except as specifically authorized by this order.”

17. Respondent is in contempt of court for failing to comply with the order described above as follows:

Violation 32 On or about October 9, 2024, Respondent sold the parties' community property, namely the 2017 Ford F350 truck, to her brother, while “hiding” behind an ex parte order that removed Movant from the joint real estate and business property at 157 CR 1380, Alvord, Texas 76225.

Violation 33 On October 19, 2024, Movant attempted to access the shared real property located at 157 CR 1380, Alvord, Texas 76225. Respondent denied Movant entrance to property by locking gate with two separate chains secured by two separate locks. Movant's workshop from which he operates his business is located on the property.

Violation 34 On October 20, 2024, Movant attempted to access the shared real property located 157 CR 1380, Alvord, Texas 76225, on which Movant's business is also located. Movant was unable to access the property as Respondent had blocked the lane that allows vehicle access to the property with a Ford truck and covered trailer. Respondent even left notes taped to trailer admitting to intentionally blocking access to the property due to claims that Movant had "intentionally" failed to shut the gate to the property.

Violation 35 On or about November 1, 2024, Respondent sold Movant's 2021 Kawasaki Mule Pro FXT.

Violation 36 On December 31, 2024, Movant attempted to access his workshop from which he runs his business located on the shared real property at 157 CR 1380, Alvord, Texas 76225. Upon arrival in the shop, Movant discovered that Respondent had parked her truck in the shop, which prior to this case the Respondent did not park her truck inside the shop as she understood that doing so impedes Movant's ability to work in the shop.

Violation 37 On January 8, 2025, Movant again attempted to access his workshop from which he runs his business located on the shared real property at 157 CR 1380, Alvord, Texas 76225. Respondent had blocked a garage door with furniture including a dresser and grill as well as parked a Ford truck in the way in an attempt to deny Movant access. When asked to move the truck to allow Movant to work, Respondent refused to do so.

Violation 38 On or about March 1, 2025, Respondent sold Movant's machinery, including planer, inventory such as doors and windows, hand tools, and power tools.

Violation 39 On March 10, 2025, Movant again attempted to access his workshop from which he runs his business located on the shared real property at 157 CR 1380, Alvord, Texas 76225. Movant was unable to utilize the workshop for its intended purpose because the Respondent once again had parked her truck in the workshop.

Violation 40 On March 18, 2025, Movant attempted to access the workshop to find that entrances were barred. He was able to enter through the garage door that opened. However, the door only opened approximately 3 feet due to a cord that had been tied to the garage door presumably to prevent it from opening all together. Once inside, Movant discovered Respondent inside the shop. She ordered him to, "get out."

Movant discovered that the doors to the shop had been barred from the inside through various methods including barricading a door with a series of workbenches pressed against the door, barricading another door with a workbench loaded down with wooden materials and tying down a door with an assortment of ropes and cords tied to the interior door handle and an interior support pillar.

Violation 41 On March 26, 2025, when Movant attempted to enter the workshop, he discovered that Respondent had successfully tied down the garage door so that it would not open with the garage door opener.

Violation 42 On or about April 6, 2025, Respondent sold livestock, including a bull and

two cows.

Violation 43 On April 16, 2025, Respondent posted on Facebook a notice of sale for two horses; a Buckskin horse named Cody, belonging to Movant, and a Grulla horse named Sheriff. Cody held special personal value to Movant as Movant personally broke and trained Cody as a gift for his daughter. Movant has since learned that Respondent has sold Cody to a family in Illinois.

Violation 44 On May 27, 2025, Respondent posted to her Facebook account a notice of a leasing option for the workshop from which Movant operates his business located on the shared property. Additionally, in her post, Respondent tagged a realtor Renee Smith Thompson of Century 21 Judge Fite Company, and Ms. Thompson reposted the listing to her Facebook account as well.

18. The *Standing Order* states further, in relevant part:

“3. PRESERVATION OF PROPERTY AND USE OF FUNDS DURING DIVORCE CASE. If this case is a divorce case, both parties to the marriage are **ORDRED** to refrain from the following acts:

3.11 Taking any action to terminate or limit credit or charge cards in the name of the other party.”

19. Respondent is in contempt of court for failing to comply with the order described above as follows:

Violation 45 On or around October 15, 2024, Respondent removed Movant from their Pilgrim Bank accounts, both the joint account and the company account, which negatively impacted his ability to pay bills and operate his company. Additionally, Respondent canceled their American Express cards, including the card in their company’s name and his name.

20. The *Standing Order* states further, in relevant part:

“3. PRESERVATION OF PROPERTY AND USE OF FUNDS DURING DIVORCE CASE. If this case is a divorce case, both parties to the marriage are **ORDRED** to refrain from the following acts:

3.12 Entering, operating, or exercising control over the motor vehicle in the possession of the other party.”

21. Respondent is in contempt of court for failing to comply with the order described above as follows:

Violation 46 On December 14, 2025, Movant attempted to leave shared property in his vehicle. However, Respondent did not want him to leave and exercised control over his vehicle by standing against the rear of the vehicle preventing Movant from backing up and leaving.

Video evidence.

22. The *Standing Order* states further, in relevant part:

“3. PRESERVATION OF PROPERTY AND USE OF FUNDS DURING DIVORCE CASE. If this case is a divorce case, both parties to the marriage are **ORDRED** to refrain from the following acts:

3.14 Terminating or in any manner affecting the service of water, electricity, gas, telephone, cable televisions, or other contractual services, such as security, pest control, landscaping or yard maintenance at the other party’s residence or in any manner attempting to withdraw any deposits for service in connection with such services.”

23. Respondent is in contempt of court for failing to comply with the order described above as follows:

Violation 47 On or about October 4, 2025, Respondent physically unplugged located internet via the router so that he was unable to work in the shop located on the shared property. The router was located in the residential portion of the building where Respondent was living at the time, so Movant did not have access to the router as he was not going to enter her personal space without permission.

24. The *Standing Order* states further, in relevant part:

“5. INSURANCE DIVORCE CASE. If this is a divorce case, both parties to the marriage are ordered to refrain from doing the following acts:

5.3 Canceling, altering, or in any manner affecting any casualty, automobile, or health insurance policies insuring the parties’ property of persons including the parties’ minor children.”

25. Respondent is in contempt of court for failing to comply with the order described above as follows:

Violation 48 On or about February 24, 2025, Respondent canceled the property insurance with Goosehead Insurance Agency. Movant had to reinstate the insurance at his own expense.

26. The *Standing Order* states further, in relevant part:

“6. SPECIFIC AUTHORIZATION IN DIVORCE CASE. If this is a divorce case, both parties to the marriage are specifically authorized to do the following:

6.1 To engage in acts reasonable and necessary to the conduct of that party's usual business and occupation."

27. Respondent is in contempt of court for failing to comply with the order described above as follows:

Violation 49 Respondent has denied Movant the ability to conduct his business multiple times (as outlined, detailed, and shown by the violations above, as if incorporated herein verbatim) by denying him access to his workplace, selling his tools, damaging his tools and materials, and destroying his tools and materials.

28. Movant requests that Respondent be held in contempt and fined for each violation alleged above.

29. Movant believes, based on the conduct of Respondent, that Respondent will continue to fail to comply with the order. Movant requests that Respondent be held in contempt and fined for each failure to comply with the order of the Court.

30. Movant requests that Respondent be held in contempt, jailed on criminally contemptible charges, and fined \$500.00 for each violation alleged above, for a period of six months on each count, to run concurrently.

31. It was necessary to secure the services of Andrew M. Lloyd, a licensed attorney, to enforce and protect the rights of Movant. Respondent should be ordered to pay reasonable attorney's fees, expenses, and costs through trial and appeal, and a judgment should be rendered in favor of the attorney and against Respondent and be ordered paid directly to the undersigned attorney, who may enforce the order in the attorney's own name. Petitioner requests postjudgment interest as allowed by law.
